Dear Madam Secretary:

This letter and the attached amended report are in response to the Federal Election Commission's preliminary review of the December Year End Report (10/1/06- 12/31/06) of the Evan Bayh Committee. The letter (copy enclosed) indicated a few questions that the Commission wanted the committee to address.

- 1.) Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act.

We have issued refunds to the five contributors listed in the Commissions preliminary review letter. Copies of the refund checks are attached to this correspondence.

We examined all of our contributions to check for additional excessive contributions and determined that there were none. We also reviewed our procedures for processing contributions, and reinforced to staff the necessity of following the procedures at all times.

- 2.) Your report contains incorrect Column B figures for Lines 6(b), 6(c), 20(a), 20(d), and 22 of the Summary and Detailed Summary Page information.

A corrected Summary and Detailed Summary Page is attached.

- 3.) Some of the contributions itemized on Schedule A of your report appear to have incorrect values in the Election Cycle-to-Date field. The contributions in question and the committee's responses are as follows:

McCrea, Robert K contributed \$500 on December 12, 2006 which was refunded on December 22, 2006. We reported both the contribution and the refund but his net election cycle to date amount is zero.

Moerschel, Gregory contributed \$1,000 on November 8, 2006 which was refunded on December 28, 2006. We reported both the contribution and the refund but his net election cycle to date amount is zero.
